SoftOne Oy Strengthens its Position in the Nordic Software Market through the Acquisition of Solotes Finland Oy

SoftOne Oy, a wholly owned subsidiary of SoftOne Group, announces a strategic move to strengthen its position in the Finnish Workforce Management (WFM) market. On January 2, 2024, the company acquired the entire share capital of Solotes Finland Oy.

Solotes Finland Oy is a development company specializing in WFM solutions with a broad customer base primarily in the service and retail sectors, including McDonald's, K-Citymarket, St1- and Shell-stations. All personnel at Solotes Finland Oy, comprising WFM experts and developers, will now join the ranks of SoftOne Oy.

"The Solotes Finland team brings extensive and solid experience in workforce scheduling, working time regulations, and payroll. Together, we will develop innovative and highly sought-after solutions for the Finnish WFM market, further expanding our market share," says Robin Pulkkinen, CEO of SoftOne Oy.

"We look forward to the opportunity to collaborate within SoftOne's development teams, crafting the best solutions for Finnish companies in the fields of workforce scheduling and payroll," adds Petrik Salovaara, Development Manager at Solotes Finland Oy.
